NAVE 

Cruise Booking Engine

Travel agencies have the opportunity to have a cruise booking engine that can be implemented on their website immediately and without the need to invest in technical resources.

**Increase your
cruise sales**

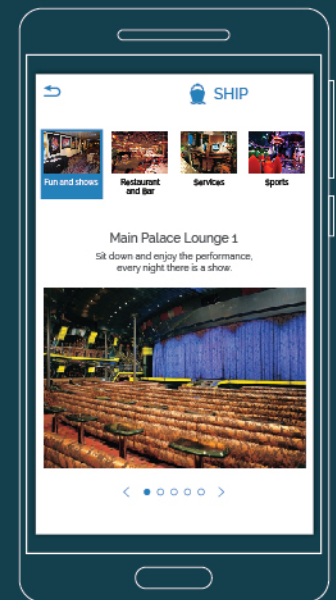

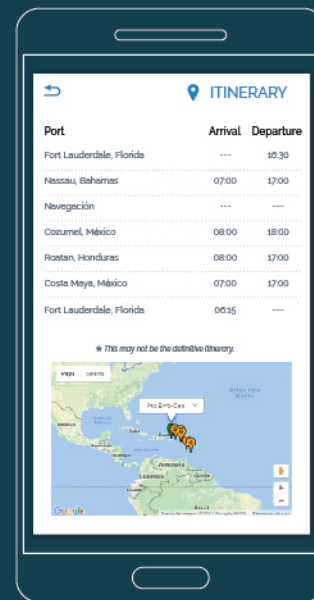

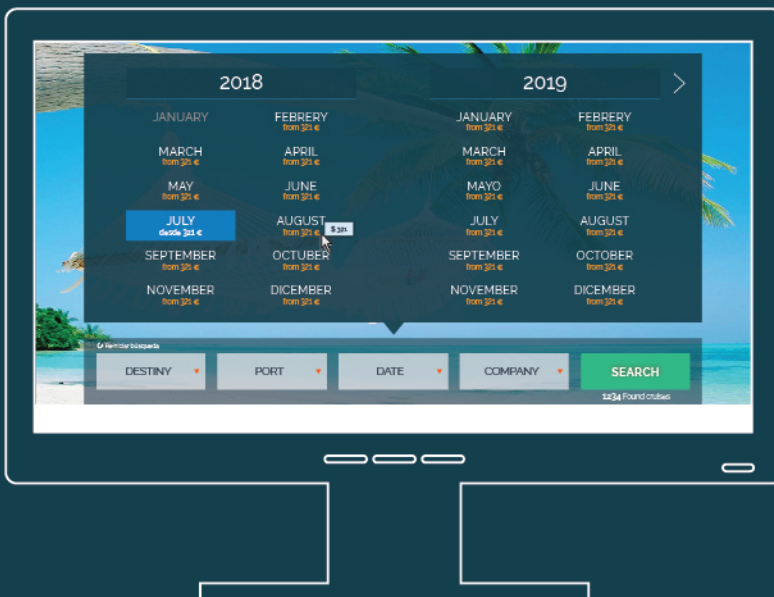

**Book more than
15.000 cruises of
30 Cruise Lines**

**Manage your reservations,
offers, promotions and
personalize your Naveo**

Explore new functionalities
with an intuitive navigation

Multimedia contents: itinerary on Google Maps,
full picture gallery and ship facilities

Mobile-friendly

0 Web page

 **Cruise search**
Add Naveo Finder on any website

Your destinations

Cruises availability per destination.
Set up and personalize your own destinations.

Prices Calendar

 **Product Promotion**
Create your own promotions with specific departures, ships or destinations
